N.W.¼ of 21-1-10-W.4th M.
Pre-emption - A. C. Metcalf.
Entry granted - 5th January, 1911.
Cancellation proceedings outstanding.
Homestead Patented.

This entrant applied for patent and secured a Certificate of Recommendation which expired on the 21st April, 1921, and has not been renewed. Apparently nothing has been paid on account of the purchase price.

A Homestead Inspector's report dated the 30th March last, states that the entrant left the district several years ago and that there are no improvements on the pre-emption. The Inspector recommends cancellation.

Cancellation proceedings were instituted on the 7th May last, and the Agent now reports no defence. An Abstract of Title shows an "F" and "A" Lien and several Seed Grain Liens.

In view of the above circumstances, it is suggested that the entry be cancelled and that the necessary action taken to have the Liens withdrawn.

December 8th, 1931.

M. J. Fream, Esq.,
Chairman, Seed Grain and
Relief Adjustment Board,
EDMONTON - Alberta.

Dear Sir:

RE: H. Jorgerson.
N ½ 13-7-7-W.4th.
Dominion liens. Provincial
Seed Grain & Joint Relief.

This man obtained seed grain, fodder and relief advances from the Dominion Government in connection with which there remained an unpaid balance of $146.34 as at April 30th, 1929.

The same man also obtained seed grain and relief advances from the Provincial Government, the account of which appears hereunder:

Seed Grain Lien #3781-April 7th 1920			$301.00	
Bank Charges			35.41	
			336.41	
Less Payment 1929		262.98

Interest to March 31-1931			169.94	$181.20
Relief Lien #3197-April 7,1920			100.00	
Less Payment 1929		90.10		
" " 1931		7.81	97.91	
Balance of Principal			2.09	
Interest to March 31st,1931			65.37	67.46 $248.66

Security for both the Dominion and Provincial advances was registered against title to the N.E. of 13 in 7-7-W.4th, which was the debtor's patented homestead, and the advances were also held as a charge against the N.E.13-7-7-W.4th, which was the debtor's pre-emption.

By Board Order #1003 it was recommended that no part of either the Dominion or Provincial indebtedness be written against the N.E. of 13, the debtor's cancelled pre-emption. Board Order #1003 also apportioned the proceeds of sale of the N.E. of 13 to the credit of the Dominion and Provincial seed grain and relief

indebtedness. The apportionments as made by the Board Order have all been paid, and the liens have been discharged. This Board, however, required that the Dominion and Provincial account be held as a charge against Jorgerson under his personal covenant.

This man lost all his assets while farming, and is now employed as a hardware clerk at Stzikom, Alberta. A Departmental collector was successful in inducing Jorgerson to submit an offer of compromise settlement, and Jorgerson paid on account of his Provincial indebtedness the sum of $50.00 with the request that it be accepted as in full of his account. The $50.00 payment has been credited pro rata to the seed grain and relief indebtedness to the Provincial Government.

Upon being apprised of the payment made by this man I wrote him and suggested that he pay a proportionate part of his indebtedness to the Dominion Government as settlement in full of that account on the same basis as the Provincial Government payment. The amount submitted is $9.50.

The Debtor's payment of $9.50 has been deposited in the Provincial Treasurer's Trust account, subject to your Board's decision.

When it is considered that all actuall security for this man's indebtedness has been dissipated, and that he is earning a small wage as a hardware clerk, it would appear in the way of good business to accept his payments as offered, and I recommend that they be so accepted.

It is further recommended that the unpaid balance of both the Dominion and Provincial accounts be written off as uncollectable.

Yours very truly,

JAH:GH

This man lost all his assets while farming, and is now employed as a hardware clerk at Stettler, Alberta. A Departmental collector was successful in inducing Jorgerson to submit an offer of compromise settlement, and Jorgerson paid on account of his Provincial indebtedness the sum of $50.00 with the request that it be accepted as in full of his account. The $50.00 payment has been credited pro rata to the seed grain and relief indebtedness to the Provincial Government.

Upon being apprised of the payment made by this man I wrote him and suggested that he pay a proportionate part of his indebtedness to the Dominion Government as settlement in full of that account on the same basis as the Provincial Government payment. The amount submitted is $9.50.

Supplementary to Board Order No. 1003, the Tax Consolidation Board, hereby recommends that the sum of $50.00, paid by H. Jorgensen, be accepted in full settlement of the debtor's personal covenant for the Provincial and Joint Relief Liens made to him.

The Board submits in support of this recommendation:-

1. That under Board Order No. 1003, it was recommended that the liens charged against the S.E.¼ 13-7-7-W. 4th Mer., be discharged, for the reason that this quarter section was the debtor's pre-emption, entry to which was cancelled and it is understood that this recommendation was accepted.

2. That by Board Order No. 1003, it was recommended that the liens charged against the N.W.¼ 13-7-7-W. 4th Mer., be adjusted on payment of the proportionate amount of the sale price of the said land as therein provided for, and it is understood that this recommendation was accepted.

3. That by Board Order No. 1003, it was recommended that after giving effect to the adjustments therein provided for any balances remaining unpaid be retained as a charge against the debtor under his personal covenant.

4. That the debtor applied for a compromised settlement of the liability and as a result thereof paid the sum of $50.00, in settlement of the Provincial and Joint Relief Liens, and such amount was applied to the credit of said liens as follows:-

Provincial Seed Grain	$42.19
Joint Relief	7.81
	$50.00

5. That it is desirable that the settlement made with the debtor for Provincial and Joint Relief Liens be confirmed.

6. That the debtor has now tendered the sum of $9.50, in settlement of the Dominion Liens, the amount so tendered being equivalent to the settlement made with him for the Provincial and Joint Relief Liens, and it is desirable that this settlement be accepted on compassionate grounds.

7. That the debtor has lost all his property and is now making a bare living and it is not possible for him to provide for any further payments on account of this liability.

The Board therefore recommends that with the payment of the

.....

amount herein provided for the debtor be released from any further liability under his personal covenant, and that any balances remaining unpaid on this account be written off as uncollectible.

Security for both the Dominion and Provincial advances was registered against title to the N.½. of 13 in 7-7-W.4th, which was the debtor's patented homestead, and the advances were also held as a charge against the N.½.13-7-7-W.4th, which was the debtor's pre-emption.

By Board Order #1003 it was recommended that no part of either the Dominion or Provincial indebtedness be written against the N.½. of 13, the debtor's cancelled pre-emption. Board Order #1003 also apportioned the proceeds of sale of the N.½. of 13 to the credit of the Dominion and Provincial seed grain and relief

Supplementary to Board Order No. 1003, the Tax Consolidation Board, hereby recommends that the sum of $50.00, paid by N. Jorgerson, be accepted in full settlement of the debtor's personal covenant for the Provincial and Joint Relief Liens made to him.

The Board submits in support of this recommendation:-

1. That under Board Order No. 1003, it was recommended that the liens charged against the N.E.¼ 13-7-7-W. 4th Mer., be discharged, for the reason that this quarter section was the debtor's pre-emption, entry to which was cancelled and it is understood that this recommendation was accepted.

2. That by Board Order No. 1003, it was recommended that the liens charged against the N.W.¼ 13-7-7-W. 4th Mer., be adjusted on payment of the proportionate amount of the sale price of the said land as therein provided for, and it is understood that this recommendation was accepted.

3. That by Board Order No. 1003, it was recommended that after giving effect to the adjustments therein provided for any balances remaining unpaid be retained as a charge against the debtor under his personal covenant.

4. That the debtor applied for a compromised settlement of the liability and as a result thereof paid the sum of $50.00, in settlement of the Provincial and Joint Relief Liens, and such amount was applied to the credit of said liens as follows:-

Provincial Seed Grain	$42.19
Joint Relief	7.81
	$50.00

5. That it is desirable that the settlement made with the debtor for Provincial and Joint Relief Liens be confirmed.

6. That the debtor has now tendered the sum of $3.50, in settlement of the Dominion Liens, the amount so tendered being equivalent to the settlement made with him for the Provincial and Joint Relief Liens, and it is desirable that this settlement be accepted on compassionate grounds.

7. That the debtor has lost all his property and is now making a bare living and it is not possible for him to provide for any further payments on account of this liability.

The Board therefore recommends that with the payment of the

.....

amount herein provided for the debtor be released from any further liability under his personal covenant, and that any balances remaining unpaid on this account be written off as uncollectible.

5. That it is desirable that the settlement made with the debtor for Provincial and Joint Relief Liens be confirmed.

6. That the debtor has now tendered the sum of $9.50, in settlement of the Dominion Liens, the amount so tendered being equivalent to the settlement made with him for the Provincial and Joint Relief Liens, and it is desirable that this settlement be accepted on compassionate grounds.

7. That the debtor has lost all his property and is now making a bare living and it is not possible for him to provide for any further payments on account of this liability.

Dear Sir:

Re: R. Jorgerson.
N ½ 13-7-7-W.4th.
Dominion liens. Provincial
Seed Grain & Joint Relief.

This man obtained seed grain, fodder and relief advances from the Dominion Government in connection with which there remained an unpaid balance of $146.34 as at April 30th, 1929.

The same man also obtained seed grain and relief advances from the Provincial Government, the account of which appears hereunder:

Seed Grain Lien #3781-April 7-1930		$181.00	
Bank Charges		30.41	
		211.41	
Less Payment 1929	202.96

Interest to March 31-1931		165.84	$171.20
Relief Lien #3197-April 7,1930		100.00	
Less Payment 1929	90.10		
" " 1931	7.91	97.91	
Balance of Principal		2.09	
Interest to March 31st,1931		65.37	67.46 $246.66

Security for both the Dominion and Provincial advances was registered against title to the N.E. of 13 in 7-7-W.4th, which was the debtor's patented homestead, and the advances were also held as a charge against the N.E.13-7-7-W.4th, which was the debtor's pre-emption.

By Board Order #1003 it was recommended that no part of either the Dominion or Provincial liens be written against the N.E. of 13, the debtor's patented pre-emption. Board Order #1003 also apportioned the proceeds of sale of the N.E. of 13 to the credit of the Dominion and Provincial seed grain and relief

indebtedness. The apportionments as made by the Board order have all been paid, and the liens have been discharged. This Board, however, required that the Dominion and Provincial account be held as a charge against Jorgerson under his personal covenant.

This man lost all his assets while farming, and is now employed as a hardware clerk at Etzikom, Alberta. A Departmental collector was successful in inducing Jorgerson to submit an offer of compromise settlement, and Jorgerson paid on account of his Provincial indebtedness the sum of $50.00 with the request that it be accepted as in full of his account. The $50.00 payment has been credited pro rata to the seed grain and relief indebtedness to the Provincial Government.

Upon being apprised of the payment made by this man I wrote him and suggested that he pay a proportionate part of his indebtedness to the Dominion Government as settlement in full of that account on the same basis as the Provincial Government payment. The amount submitted is $9.50.

The Debtor's payment of $9.50 has been deposited in the Provincial Treasurer's Trust account, subject to your Board's decision.

When it is considered that all actual security for this man's indebtedness has been dissipated, and that he is earning a small wage as a hardware clerk, it would appear in the way of good business to accept his payments as offered, and I recommend that they be so accepted.

It is further recommended that the unpaid balance of both the Dominion and Provincial accounts be written off as uncollectable.

Yours very truly,

Memorandum.

Mr. Perrin.

S.E.¼ 30-29-6-W.4th Mer.,
Soldier Grant - Donald Gordon.
Entry granted - 25th July, 1919.

Application to have patent for this land vested in the Soldier Settlement Board under the Order-in-Council of the 4th June, 1921, (P.C.1821).

This entrant has obtained advances from the Soldier Settlement Board amounting to $3922.00, as follows: removal of encumbrances $2500.00; stock and equipment $762.00; permanent improvements $706.50; special advances $153.50. In addition to the above land, the Board holds a mortgage on the S.W.¼ 30-29-6-W.4th Mer., the settler's patented homestead.

The entrant has applied for patent claiming duties as shown on form 58A hereunder. Apparently the duties have been performed in a satisfactory manner and the application has been accepted, but in view of the above mentioned loan he was advised that patent would not issue in his name until his indebtedness to the Board was paid in full.

In a memorandum hereunder dated the 7th instant, the Soldier Settlement Board reports the receipt of an application from the entrant to have patent for this land issued in favour of the Board and it is pointed out in this memorandum that this would enable the entrant to negotiate a sale of the land. A Vesting Order for the Minister's signature is attached.

It is stated in the Vesting Order that the settler is residing on the land.

It is suggested that the necessary action be taken to have patent for this land issue in the name of the Board.

Memorandum,

Mr. Hume,

Re N.E.¼ 28-16-9 W. 4th M.
Pre-emption - Joseph Hopitzan,
(deceased).
Entry granted - 4th February, 1910.

Cancellation proceedings instituted on the 12th December, 1925, for non-payment.

Amount owing to the 1st November, 1925, including interest $712.46.

An Inspector recently reported no improvements on the pre-emption. Mrs. Hopitzan has vacated the district. The land is rough and stony and very poor quality. The Inspector recommended cancellation and post for grazing.

Mrs. Hopitzan on the 28th ultimo, wrote to the effect that she could not make any payments. She states that she is an invalid and has been for the past seven years. She also states that she wishes to abandon the pre-emption.

I would suggest that the Agent be authorized to carry out cancellation on the expiration of the sixty days allowed notwithstanding the winter protection.

Pre. - Ole K. Olson.
Entry - 1st February, 1910.

Cancellation proceedings instituted on the 16th July, 1925, for non-payment.

Patent applied for and a Certificate of Recommendation issued which expired on the 29th October, 1921.

Amount owing to the 1st November, 1925, Principal $128.29, and interest $58.40.

An Abstract of Title on file shows the land clear. The Manufacturers Life Insurance Company own the homestead. (Please see memo of the 14th October, 1925, and instructions thereon).

The Manager of the Insurance Company was requested to furnish Mr. Olson's address on the 16th October, 1925, and the Company reported they have no knowledge of the present address, he having left the Alderson district some years ago.

In December last Olson was informed the Department had no desire to cancel the entry on account of the small amount owing and was requested to state when he would be in a position to make a payment.

An Inspector on the 22nd ultimo reported the entrant gone to the U.S.A. No improvements. Land only fit for grazing.

None of the letters addressed to Olson at Evarts, Alberta, where he was in November last, have been returned by the Postal Authorities.

It would appear that the entry might just as well be cancelled and the land reserved (Tilley

Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers.

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows —

CONFLICTING CLAIMS.

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered, or until the morning of the following day.

Provided that if the Agent is advised by wire or otherwise on such day by a Sub Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of date of his entry, or of commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub Agent or local representative has been received.

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants cannot appear in person on such day the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board.

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land allotted, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been duly entered for by an adjoining settler on the first day on which such land became available for entry, or has not been reserved for any of the purposes mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

S.E.¼ 14-22-11-W.4th M.
Pre-emption - John Bradshaw,
Entry granted - 12th February, 1910,
Cancellation proceedings outstanding.

The entrant in this case made application for patent on the 16th March, 1918, claiming sufficient settlement duties completed.

A Certificate of Recommendation was issued in his favour which expired on the 14th April, 1921.

According to a statement on file there was $849.96 due on account on the 1st November, 1928.

Inspector of Dominion Lands Stickney reported in February, 1929, that the entrant was living in Wardlow, Alberta.

General Remarks:

"With reference to your letter of Feb. "5th, it was my intention to recommend cancellation of "this entry.

"In my opinion entrant has no intention "of paying for same, as land in this district can be "purchased for $1.00 per acre."

In view of the evidence furnished by the Inspector, cancellation proceedings were instituted against the entry on the 30th March, 1929, on the grounds of non-payment of the purchase price.

The entrant filed a defence in which he stated that he had been in residence from 1911 on his homestead.

Improvements: House $300.00
Barn, granaries & 3 miles fencing - $5000.00

Cultivation: 160 acres altogether.

Stock: Average 30 head cattle and horses.

In answer to question (19) he stated that lack of means due to continued drought and that he would like to relinquish this land and get a 21 year lease or second homestead.

He.....

He was advised from this office on the 2nd July last that the proceedings instituted against his entry were on the grounds of non-payment and he was allowed a period of thirty days from that date within which to state what his intentions were with respect to immediately paying in full for the land or at least making a substantial payment on account. He was also advised that if his entry was cancelled he could not be given a prior right to secure the land under lease or as a second homestead, as the quarter section would have to be posted in accordance with the regulations to become available to the first eligible applicant.

The Agent reported on the 13th August last that nothing had been heard from the entrant.

The Agent now forwards here an Abstract of Title covering the land which shows that a Seed Grain Lien had been registered against same.

In view of the foregoing, I would suggest that the entrant be allowed a final period of thirty days within which to state what his intentions are with respect to paying for the land.

Sir,

Replying to your letter of the 9th ultimo, No. [illegible], enclosing the application of Mr. H. C. Lyres to purchase the fractional North East quarter of Section 17, Township 17, Range 1[illegible], West of the 4th Meridian, lying North and East of the river, I am directed to point out to you that under the decision of the Department which was conveyed to you in the letter of the 16th May, 1910, this fractional area was to be offered to the owner of the South East quarter of Section 20, East of the river, which it was then thought had been patented to Mr. Lyres. This however was a mistake, part of the North East quarter of Section 20 being the land patented to him, as the records of your office doubtless show.

As the South East quarter of Section 20, East of the river, has not been patented the above mentioned fractional area cannot under the decision referred to be sold to the applicant, Mr. H. C. Lyres.

Memorandum.

I beg to return herewith reference No.372 respecting that portion of the N.E.¼ of Section 17, Township 17, Range 17 West of the 4th. Meridian, West of River, and to say that this land is vacant in the records of the Department. The applicant received Homestead patent for the S.E.¼ of Section 20 and was permitted to purchase the fractional N.E.¼ of the same Section, South of River. He also holds, under S.A.V. Homestead entry, the E.½ of Section 17, the N.E.¼ of which, adjoins the land applied for.

The applicant applied to purchase the said fractional N.E.¼ in May last, and enclosed with his application, the sum of $25.00, his application, however, was refused and the money returned on the ground that the land should be offered to the owner of the S.E.¼ of Section 20, which adjoins the same, on the North. This decision, however, was probably owing to an oversight, as the S.E.¼ of Section 20 was formerly reserved for Stock Watering but was withdrawn and, according to our practice, can only be disposed of, by public auction.

A small sketch is attached hereto showing the land applied for, hatched red, and unless it is considered that the applicant has already been permitted to purchase sufficient land, there would appear to be no objection to the sale being made to him, at the current rate. Re: [redacted]

- 1st Relief Advances

The attached report, with recommendations of the Chief Collector of the Collection Branch, Department of Municipal Affairs, dated April 10,1957, has been submitted to the Agricultural Relief Adjustment Board, and in the opinion of the Board the proposed adjustment is fair and reasonable and it is desirable that it be accepted.

In accordance, therefore, with the provisions of the Agricultural Relief Adjustment Act, Revised Statutes of Alberta, 1942, IT IS [redacted] that the recommendations for the adjustment and settlement of the said account contained in the said report, be and the same are, hereby [redacted] and ADOPTED.

[redacted]
CHAIRMAN, AGRICULTURAL RELIEF ADJUSTMENT BOARD.

To:

The Honourable E. C. Manning,
Provincial Treasurer,
Province of Alberta,
Edmonton, Alberta.

BOARD ORDER
No. [illegible] 2 - 6 1953

April 10,1953

Mr. J. W. Judge.
Chairman,
Seed Grain and Relief Adjustment Board.
Edmonton, Alberta.

Dear Sir: Re: Theodore Spencer
W½ 27-6-9-W.4th.
Joint Relief Advances

The above party obtained the following Joint Relief Advances giving as security liens on the title to the above land.

April 30,1918	$45.00
May 1,1919	88.00
January 31,1920	148.90
July 31,1920	139.35
	421.25
Interest to December 31,1952	979.92
	1,401.17

The debtor abandoned this land with the result that taxes were allowed to accrue on the W½. 27-6-9-W.4th and title to this parcel was taken by the municipality under the provisions of the Tax Recovery Act in 1927. In view of the land's location no sale materialized for some little time but the district has now been successful in arranging a sale for the sum of Twelve hundred dollars ($1,200.00). This appears to be an excellent price as the land is situated in a township which has been eligible for awards under the Prairie Farm Assistance Act 11 years out of the 13 in which awards have been granted. The land is assessed at Seven hundred and twenty dollars ($720.00) for taxation purposes.

Tax arrears amounted to One thousand five hundred and forty-one dollars and eighty-four cents ($1,541.84) and it is my recommendation that the proceeds of the sale be distributed on a pro rata basis, first allowing a nominal sum of Five dollars ($5.00) to cover costs. The allocation of the monies will be as follows:

Costs	$5.00
Taxes	626.06
Joint Relief	568.94
	$1,200.00

The records in the Department of Lands and Forests disclose that the W.½. 27-6-9-W.4th is unpatented land with no entry extant.

Cont'd 2

there is now no possibility of making any further recovery under the personal covenant and as no security of value remains, it is my recommendation that the account be so adjusted that upon application of Five hundred and sixty-eight dollars and ninety-four cents ($568.94) the account will be paid.

Provincial Seed Grain Advances of Three hundred and thirty-one dollars and sixty cents ($331.60) together with accrued interest have already been cancelled.

Yours very truly,

H E French

Sir,

Re W. T. Schofield.
N.W. 20-29-5-W. 4th M.
Board Order No. 4933.

Kindly be referred to the report of the Adjustment Board dated August 18th last, B.O. No. 4933, wherein attention is drawn to the payment of $89.20 made by the present entrant, S. A. Willcock, as potential credit to the Dominion liens outstanding against the above described land as given by W. T. Schofield, and wherein the recommendation is made that he (S.A.Willcock) be discharged from any further liability in connection with the said advances on compassionate grounds and furthermore that all liens be unconditionally discharged and the total amount payable thereon be written off as uncollectable.

Will you kindly advise whether the correct interpretation of this recommendation is that the payment of $89.20 at present held in suspense account be applied to the credit of the indebtedness and that the balance remaining be written off as a loss.

Your obedient servant,

H. E. Hume,
Chairman, Dominion Lands Board.

BOARD ORDER
No. 4933

T-6-147.

E. J. Treat, Esq.,
Chairman,
Seed Grain and Relief Adjustment Board,
[illegible], Alberta.

July 21, 1931.

Dear Sir:

Re: W. T. Schofield - N½. 20-29-5-4.
Dominion Liens.

W. T. Schofield obtained the under-mentioned seed grain advances from the Dominion Government:

1919.....	$88.00
1920.....	137.13
	$225.13

He then held preemption entry for N½. 20-29-5-4. On March 15, 1923, he executed a declaration of abandonment with the result that on November 19, 1923, his entry was cancelled.

Liens on this quarter-section are the only security for his seed grain indebtedness.

On April 14, 1928, E. A. Willcock of Cereal, Alberta obtained entry for this quarter-section and was required to assume liability for the seed grain indebtedness. Presumably as the result of an oversight, there was no provision in the agreement to assume the liability for an adjustment of the indebtedness.

At the date of entry, Willcock paid $39.20, being one-quarter of the indebtedness, as he was required to do in the agreement.

He now applies for adjustment.

According to a homestead inspector's report made in June, 1928, subsequent to Willcock's entry, the soil on the property is chocolate loam with 120 acres fit for cultivation. There were no improvements left on the land by Schofield. The land was valued at that date at $6.00 an acre. Its sale value has depreciated considerably since then as a result of the depression in price for farm produce.

According to a statement of his affairs, Willcock is fifty years of age and has recently been left a widower with three children. While he has a fair line of stock and machinery, he has very heavy liabilities incurred when his assets had a much greater value than they have at present.

Willcock derived no benefit from the seed grain advances to Schofield as he had to clear and improve all the cultivable portion of this quarter-section himself subsequent to the date of his entry. The district in which the property is situated is one of the driest in the Province and crop conditions there have always been uncertain.

In view of the low value of the property and in order to assist a reliable farmer to improve his status, I recommend that he be relieved of this liability which he assumed in order to acquire this property and to round out his holdings.

There is no other security for this seed grain indebtedness and there is no likelihood of collection from the original debtor who left the district for the United States several years ago. He was then practically without assets.

I therefore recommend that the account be written off as uncollectable.

Yours truly,

W. Ore[illegible]

B.O.No. 4933.

Edmonton, August 18th, 1931.

Re N.W.¼, 20-29-5-W. 4th Mer.,
W. T. Schofield,
Dominion Liens.

The Seed Grain & Relief Adjustment Board, appointed under Order P. C. 2200, hereby recommends that the liens charged against the N.W.¼, 20-29-5-W. 4th Mer., for advances made to W. T. Schofield, be discharged.

The Board submits the report of the Director, Debt Adjustment Act, dated July 21st, 1931, which report gives full details of all liens registered against the said land and states in support of the recommendation:-

1. That at the time the advances were made the debtor held pre-emption entry to the said land but executed a Declaration of Abandonment in the year 1923, and his entry was cancelled.

2. That in the year 1928, S. A. Willcock secured homestead entry for the said land and agreed to assume the liability charged against same.

3. That the present entrant S. A. Willcock paid the sum of $89.20, to apply on account of the said liens.

4. That the entrant, S. A. Willcock has now applied for an adjustment of the liability charged against the said land.

5. That it is reported that at the time Willcock secured entry to this land there were no improvements thereon and that the value thereof was $6.00 per acre, also that 150 acres were fit for cultivation.

6. That owing to the conditions prevailing in the District in which this land is situated, land values have depreciated considerably since the year 1928, and it is doubtful whether said land has a value of more than $5.00 per acre at the present time and that this quarter section did not secure any benefit from the advances made to the debtor W. T. Schofield.

.....

7. That the present entrant S. A. Willcock is a widower who is endeavoring to maintain a family of three children and it is desirable that he be discharged from any further liability in connection with the said advances on compassionate grounds.

8. That the debtor left the District several years ago and all trace of him has been lost, and there is no possibility of making any collection under his personal covenant.

The Board therefore recommends that all liens be unconditionally discharged, and the total amount payable thereon be written off as uncollectible.

DOMINION LANDS ADMINISTRATION

18th February, 1932.

Sir,

Re W. T. Schofield.
N.W. 20-29-5-W. 4th M.
Present entrant S. A. Willcock.

In this case there was outstanding seed grain liens as given in 1919 and 1920 in the principal sums of $88.00 and $137.13. The lienee's entry was cancelled and one S. A. Willcock obtained entry in 1928, paying the sum of $89.20 to the credit of the outstanding indebtedness. The Adjustment Board of Alberta in their report dated August 18th last recommended that no further payments be required of the new entrant, and that the balance remaining be written off as a loss. This recommendation has been ratified by Order in Council P.C. 5/3157 dated December 23rd last, and the account has been closed out on our records.

It will, therefore, be in order to advise the new entrant of the terms of the recommendation and when patent issues to the N.W.¼ 20-29-5-W. 4th M. it should issue clear of any encumbrance in respect of those liens.

Your obedient servant,

H. H. Rume,
